WON ON FIRST BALLOT

Hon. Sam J. Pugh Nominated at Cynthiana For Congress

The Republican Congressional Convention at Cynthiana yesterday was a harmonious affair. Judge William G. Deering of Fleming and Colonel John D. Littlejohn of Carter were made Chairman and Secretary respectively.

Hon. Sam J. Pugh of Lewis was an acknowledged candidate at the outset, but some friends of Judge J. B. Bennett of Greenup presented his name also, and the first ballot resulted—

Pugh..... 139
Bennett..... 112

Pugh's majority..... 27

Mr. Pugh was not present, but it is understood that he will accept the nomination.

FINE FISH FRY

Officer Rufe Dryden Tells About a Wonderful Catch

The tall sycamore of the Police force, R. V. Dryden, besides being a first-class officer, is an excellent story teller.

Yesterday he held up The Ledger Man and unfolded a fish story.

He said on his way down town he passed William and Charles Davis, who were headed for the fish mart—Market street—toting a ten-foot pole strung with fish that ran from 2 to 10 pounds each, and there were at least 500 pounds altogether.

The serious part of it was that he told it for a truth and in the presence of a brother officer. Rufus evidently was determined to head off Officer Harry Ort's 30-pound buffalo fish catch in some way.

To be certain about the matter Mr. Charles Davis was interrogated as to the correctness of the statement and he said there were about 20 pounds of fish on the pole and all of medium size.

Rufe is a good one when it comes to spinning yarns and there was certainly not a break in the wool of this one.

POORLY REWARDED

Thief Ransacked House But Took Nothing of Value

Mr. C. W. Darnall's residence was entered Wednesday night by thieves and thoroughly ransacked.

Mr. and Mrs. Darnall are visiting in Fleming county, and Mrs. Sallie Baldwin and daughter and Miss Florence Darnall were unprotected by the presence of a male member; the thief evidently knew this, as well as being familiar with the premises.

He was heard early in the night by the women and they called to Mr. John Wells, who happened to be passing at the time, for assistance.

Mr. Wells made a thorough search but could find no indication of the presence of any one, and so informed the ladies.

Thus reassured, they retired, thinking perhaps they might have been mistaken as to someone being in the house.

Judge their surprise in the morning when they discovered bureau drawers on the floor and everything in a topsy-turvy state.

The thief was evidently after money and valuables and finding none did not molest anything else.

It is supposed he hid in a closet or under a bed, and thus escaped detection when Mr. Wells made a search—he was there though all the same.

Beware of Ointments For Catarrh That Contain Mercury. As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. The sectional issue will not profit the Democratic party any more this year than it did in 1896 and 1900 when Mr. Bryan sought to array the East against the West.

With a negative candidate and a cause that does not appeal to any considerable number of public-spirited persons, the Democratic prospect is hopeless as it was in 1900.

WEST VIRGINIA, a manufacturing state, is not ready to get into the freak class by supporting a platform which declares that "Protection is the robbery of the many to enrich the few."

The big strike of the meat workers having failed in Chicago, seventy-five students of the Kentucky State College have rebelled against the payment of a laboratory fee of \$5 each. What next?

DEMOCRATS refuse to enthuse over Judge PARKER's letter to ERVING WINSLOW, indorsing a scuttle policy in the Philippines. The American people come mighty near being non-partisan when a proposition is made to haul down the flag.

JUDGE PARKER informs the 6,000,000 Democrats, with whom he voted for silver in two campaigns, that the Gold Standard is irrevocably fixed, and he tells the delegates who declared that "Protection is a robbery" that he favors a "reasonable revision of the tariff." There is room for overtime in the Democratic explanation department.

The ignorance as to Judge PARKER's views on National issues is exceeded only by the indifference to them.

THE Editor of The Owensboro Inquirer has a \$5,000 libel suit on hand which he has to defend in the Courts. A fellow by the name of BEN BENHAM had been indicted on a couple of counts for gambling. The Inquirer, in making out and publishing a list of the cases to be tried, by some slip of the pen, or displacement of words, stated that BENHAM had been indicted for false swearing. It was simply a typographical error, such as is liable to occur in any well regulated newspaper office. ADAMS did not know BENHAM from Moses's off ox, knew nothing either for or against the fellow, had no wish, desire or intention to injure the man who was indicted for gambling. The Editor did not know until notice was served on him in the way of papers announcing the suit, that any one had been misrepresented. He was not asked to make any correction of the misstatement.

Some briefless lawyer or firm of lawyers of Owensboro, who are on the lookout for cases, who have not enough merit to attract attention, make it a business to be on the lookout for just such cases as this. These lawyers can be found at almost every county seat. They are the vultures of the profession. If they lose their case they lose nothing but their time, which is not valuable; if they gain anything in the suit, it is just that much picked up. There are thousands of suits brought in which there is no merit whatever. It seems that there ought to be some law by which when these irresponsibles bring suit against those who are responsible, that the one or ones bringing the suits ought to be made to give bond for the costs in the case. Any one who becomes offended at some mistake of a newspaper, or feels aggrieved at some corporation or individual, can bring suit in almost any sum named. It matters not how little merit there may be in the suit, it has to be defended at a loss of time and money. Some radical changes are needed in the law of the state in reference to libel and damage.—Lexington Herald.

THE LEDGER agrees with The Herald that irresponsible parties should be required to give bond for costs in such suits; and that they are not, is due to the late WILLIAM GOEBEL, father of the Damage Suit Industry in Kentucky, whose chief income was derived from milking railway companies in heavy sums in behalf of irresponsible clients—he keeping the lion's share of the money gained.

A GOOD SELECTION

Miss Mary E. Richeson Fully Qualified as a Librarian

It is generally agreed that the Library Committee has made a judicious selection in placing Miss Mary E. Richeson in personal custody of the Public Library.

Quite apart from Miss Richeson's social gifts and accomplishments, she is admirably qualified for the position by her scholastic training and her special studies in library classification.

She is also thoroughly familiar with our local history—county and town—and with the family traditions of the community from the earliest settlement of the state.

Her uncle, William W. Richeson, of the old Seminary, was a famous educator in the last century, and it is reminiscence of timely interest that her grandfather, John Ceburn, was the first Judge of "the Orleans Territory" which our Government purchased from France. He was appointed by President Jefferson, who placed a high estimate upon his integrity.

Mrs. Haskell, Worthy Vice-Templar, Independent Order Good Templars, of Silver Lake, Mass., tells of her cure by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Four years ago I was nearly dead with inflammation and ulceration. I endured daily untold agony, and life was a burden to me. I had used medicines and washes internally and externally until I made up my mind that there was no relief for me. Calling at the home of a friend, I noticed a bottle of Lydia E. Pinkham's Vegetable Compound. My friend endorsed it highly, and I decided to give it a trial to see if it would help me. It took patience and perseverance for I was in bad condition, and I used Lydia E. Pinkham's Vegetable Compound for nearly five months before I was cured, but what a change, from despair to happiness, from misery to the delightful exhilarating feeling health always brings. I would not change back for a thousand dollars, and your Vegetable Compound is a grand medicine.

"I wish every sick woman would try it and be convinced."—Mrs. IDA HASKELL, Silver Lake, Mass. Worthy Vice-Templar, Independent Order of Good Templars. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

MASS OF SORES
Awful Suffering of a Boy from an Itching Humour.
CURED BY CUTICURA
Not One Square Inch of Skin on His Whole Body Was Unaffected.

"My little son, a boy of five, broke out with an itching rash. Three doctors prescribed for him, but he kept getting worse until we could not dress him any more. They finally advised me to try a certain medical college, but its treatment did not do any good. At the time I was induced to try Cuticura Remedies he was so bad that I had to cut his hair off and put the Cuticura Ointment on him on bandages, as it was impossible to touch him with the bare hand. There was not one square inch of skin on his whole body that was not affected. He was one mass of sores. The bandages used to stick to his skin and in removing them it used to take the skin off with them, and the screams from the poor child were heart-breaking. I began to think that he would never get well, but after the second application of Cuticura Ointment I began to see signs of improvement, and with the third and fourth applications the sores commenced to dry up. His skin peeled off twenty times, but it finally yielded to the treatment. I used the Cuticura Resolvent for his blood, and now I can say that he is entirely cured, and a stronger and healthier boy you never saw than he is to-day."

DON'T OVERLOOK THIS.
A Careful Perusal Will Prove Its Value to Every Maysville Reader.
The average man is a doubter, and there is little wonder that this is so. Misrepresentations make people skeptics. Now-a-days the public ask for better evidence than the testimony of strangers. Here is proof which should convince every Maysville reader.
Mrs. C. J. Sweet of 713 East Second street says:
"Doan's Kidney Pills ended pain in my back which had annoyed me for a considerable time. My mother, Mrs. A. F. Sweet, also used this remedy and values it highly. Mr. Sweet got Doan's Kidney Pills for me at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. We are only too pleased to recommend a preparation which has proven so reliable and effective as did Doan's Kidney Pills."
For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no substitute.

There is a Great Difference of Opinion About the Kind of Schoolbooks Our City Should Have. Everybody Who Looks at Them Says
Dan Cohen's School SHOES
Should be used by all the children because of their extra good quality and very low price. We received the largest shipment of good Shoes yesterday that has come to Maysville for many months. Dan Cohen has contracted with one factory for \$100,000 worth of Men's Fine Shoes. Do you know of any retailer in America who makes such a contract? Such buying saves you money. See our fall stock.
